ATTENDANCE AT THE GENERAL SHAREHOLDERS' MEETING

Entitled to attend the Shareholders' Meeting are those who are entitled to vote.

Entitlement to attend the Shareholders' Meeting and exercise voting rights is attested by a communication issued by an authorized intermediary in accordance with the applicable regulations, certifying the ownership of the Shares based on the evidence of its accounting records relating to the end of the accounting day of the seventh open market day preceding the date of the Shareholders' Meeting on single call (so-called record date), i.e., **6th April 2023**, in accordance with the provisions of Article 83-sexies of Legislative Decree No. 58 of 24 February 1998 ("**Italian Consolidated Financial Act**").

Entries in credit or debit made to the accounts subsequent to the aforementioned record date are not relevant for the purposes of eligibility to exercise voting rights at the Shareholders' Meeting; therefore, those who are found to hold ordinary shares only after that date will not have the right to attend and vote at the Shareholders' Meeting. Notifications from intermediaries to the Company are made in accordance with applicable regulations.

The communication from the intermediary must be received by the Company by the end of the third open market day preceding the date set for the Shareholders' Meeting on single call (i.e., 14th April 2023). Entitlement to attend the meeting and exercise voting rights remains unaffected if the notices are received by the Company after this deadline provided that they are received by the start of the Shareholders' Meeting activities.

Please note that the notification to the Company is made by the intermediary upon the request of the subject entitled to vote.

It should be noted that Shareholders may attend the Shareholders' Meeting, including by granting proxy to the Designated Representative pursuant to Article 135-*undecies* of the Italian Consolidated Financial Act (the "Designated Representative"), in accordance with the procedures outlined below.

It is hereby communicated, indeed, that **the Company has identified as Designated Representative Computershare S.p.A., with registered office in Milan, Via Mascheroni 19 and offices in Turin, Via Nizza 262/73.**

INTEGRATION OF THE BOARD OF STATUTORY AUDITORS AND APPOINTMENT OF THE CHAIRMAN.

With reference to the resolutions under item 5 of the agenda of the Shareholders' Meeting in ordinary session, it is noted that, following the resignation of the Chairman of the Board of Statutory Auditors, in accordance with the provisions of the Articles of Association (Art. 20.12), the Shareholders' Meeting will provide for the integration of the Board of Statutory Auditors with the ordinary procedures and majorities, without application of the slate voting system, subject to compliance with gender balance law provisions and regulations in force from time to time.

The Chairman of the Board of Statutory Auditors thus appointed will remain in office as long as the other members of the Board currently in office, and thus until the approval of the financial statements as of 31st December 2023. In this particular case, the current Board of Statutory Auditors was not appointed in 2021 by the slate voting system and therefore there are no candidates available today remaining from the slate voting system.

Applications may be submitted by shareholders owning, alone or together with others, a stake of at least 4.5 percent (four point five percent) of the Company's share capital.

Eligible persons are invited to submit their proposals of candidates for the purpose of integration of the Board of Statutory Auditors with adequate advance notice and at least 15 days before the Shareholders' Meeting, by:

- (i) filing at the registered office of the Company (in Verona, Viale dell'Agricoltura No. 7);
- (ii) or electronic notification to the certified e-mail address dir.legale@pec.revoinsurance.com.

In the case of submission of shareholders proposals by certified e-mail, a copy of a valid identity document of the submitters must also be transmitted.

Proposals regarding the integration of the Board of Statutory Auditors must indicate a candidate without gender constraints and be accompanied: (i) by information on the identity of the shareholders submitting the applications, with an indication of the total percentage held and the relevant notification from the authorized intermediary; (ii) by exhaustive information on the personal and professional qualifications of the candidates supported by a list of the administration and control positions held by them in other companies; (iii) by a declaration of the candidates attesting to the non-existence of causes of ineligibility and incompatibility, as well as to the possession of the requirements provided for by law and by the regulatory provisions in force from time to time, and their acceptance of the candidature; (iv) by any other or different declaration, information and/or document provided for by law and by the applicable regulatory provisions.

The instructions and forms necessary for the submission of applications, including the indication of the requirements for the assumption of this corporate office, can be found in the document relating to the Operational procedures for the submission of applications for the appointment of the Chairman of the Board of Statutory Auditors made available on the Company's website www.revoinsurance.com, in the section Corporate Governance/Corporate Bodies and Management/Shareholders' Meeting, within the subsection entitled "Reports and documents relating to proposal on the agenda".

PARTICIPATION AND VOTING AT THE SHAREHOLDERS' MEETING

Any subject with voting rights may be represented at the Shareholders' Meeting in accordance with Article 2372 of the Civil Code as well as other applicable provisions, including regulatory provisions, with the option of using the proxy form inserted at the bottom of the communication issued by the authorized intermediary

or the facsimile proxy form published on the Company's website www.revoinsurance.com in the section Corporate Governance/Corporate Bodies and Management/Shareholders' Meetings, in the subsection entitled "Ways of participating."

Proxies must be produced at the time of accreditation at the meeting, in original and accompanied by a photocopy of a valid identity document of the delegating person and, in the case of a legal entity, by document proving the delegating person's powers of attorney.

Alternatively, the proxy may be notified electronically, in advance, by sending it to the certified e-mail address at dir.legale@pec.revoinsurance.com, together with a photocopy of a valid identity document of the delegating party and, in the case of a legal person, by a document proving the delegating party's powers of attorney.

Prior notification, if any, does not exempt the representative, when accrediting for access to the Shareholders' Meeting activities, from the obligation to attest to the conformity of the notified copy with the original and to the identity of himself and of the delegating party.

There are no postal or electronic voting procedures.

PARTICIPATION AND VOTING AT THE SHAREHOLDERS' MEETING THROUGH THE DESIGNATED REPRESENTATIVE PURSUANT TO ARTICLE 135 - UNDECIES OF THE ITALIAN CONSOLIDATED FINANCIAL ACT

Attendance at the Meeting may also be provided by proxy to the Designated Representative as indicated above.

In this case, those entitled to attend the Shareholders' Meeting may be represented, without any charge (except for any costs of mailing the proxy), by the Designated Representative, by giving him or her an appropriate proxy containing voting instructions on all or some of the items on the agenda.

The proxy to the Designated Representative submitted pursuant to Article 135 *undecies* of the Italian Consolidated Financial Act must be received by the latter by the end of the 2nd open market day preceding the effective date of the Shareholders' Meeting (i.e., by 17th April 2023), in accordance with the procedures indicated and using the specific form made available on the Company's website www.revoinsurance.com, in the section Corporate Governance/ Corporate Bodies and Management / Shareholders' Meeting, within the subsection entitled " Ways of participating", also showing the methods that can be used to confer and transmit the proxy as well as to revoke, within the same deadline, the proxy and any related voting instructions already conferred.

Please note that the proxy will be effective only for those proposals in relation to which voting instructions are given.

Pursuant to Article 135 *undecies* TUF, shares for which proxy instructions have been given, even partially, are counted for the purpose of duly constituting the Shareholders' Meeting. In relation to proposals for which voting instructions have not been given, the shares are not counted for the purpose of calculating the majority and the share of capital required for the approval of resolutions.

Please note that the notification made to the Company by the intermediary, certifying the entitlement to participate in the meeting and exercise voting rights, is also necessary in the case of a proxy granted to the Designated Representative: in the absence of the aforementioned notification, the proxy shall be considered to have no effect.

The proxy to the Designated Representative, made in accordance with Article 135 *undecies* of the Italian Consolidated Financial Act, containing the voting instructions, together with a copy of a valid identity document - and in the case the delegating party is a legal person, a document proving the powers to issue the proxy - must be forwarded to Computershare S.p.A. at the certified e-mail address revo@pecserviziitolit.it, according to the procedures indicated in the form itself. In this regard, in order to facilitate the submission of the proxy and voting instructions, from the section of the Company's website dedicated to this

Shareholders' Meeting, it will be possible to complete and transmit that form also online and in guided mode, always by the aforementioned deadline of April 17, 2023.
